

Chapter 3: MAINE CLEAN ELECTION ACT AND RELATED PROVISIONS

SECTION 1. APPLICABILITY

This chapter applies to candidates running for Governor, State Senator and State Representative who choose the alternative campaign financing option established by the Maine Clean Election Act for elections to be held beginning in the year 2000. Candidates participating in the Maine Clean Election Act must comply with these rules and all other applicable election and campaign laws and regulations. Some sections in this chapter also apply to and impose obligations on privately financed candidates and political committees that raise contributions and make expenditures in races involving Maine Clean Election Act candidates.

SECTION 2. PROCEDURES FOR PARTICIPATION

1. **Declaration of Intent.** A participating candidate must file a Declaration of Intent within five days of collecting qualifying contributions. The Commission will provide a form for this purpose.
2. **Content.** The Declaration of Intent must include the following information:
 - A. an affirmation that the candidate is seeking certification as a Maine Clean Election Act candidate;
 - B. an affirmation that the candidate understands that any qualifying contributions collected more than five days before filing the Declaration of Intent will not be counted toward the eligibility requirement;
 - C. an affirmation that the candidate has not accepted any contributions, except for seed money contributions, after becoming a candidate;
 - D. an affirmation that the candidate has disposed of any campaign surplus before becoming a candidate for the new election, as required by paragraph 3.C [Campaign Surplus] of this section;
 - E. an affirmation that if the candidate has any campaign deficit, that the candidate will not accept contributions to repay that deficit as a participating candidate or certified candidate, except that the candidate may forgive any campaign loans to himself or herself made during any previous campaigns;
 - F. an affirmation that the candidate will continue to comply with applicable seed money restrictions and other requirements of the Act including, but not limited to, procedures for collecting qualifying contributions;
 - G. an affirmation that the candidate has read and will comply with the Commission's guidelines on permissible expenditures; and

- H. authorization by the candidate for the Commission, its agents or representatives to conduct financial audits of the candidate's campaign financial records and account(s).

3. **Seed Money Restrictions**

- A. **General.** After becoming a candidate and before certification, a participating candidate may collect and spend only seed money contributions. The restrictions on seed money contributions apply to both cash and in-kind contributions.
- B. **Total Amount**
 - (1) A participating candidate must limit the candidate's total seed money contributions to the following amounts:
 - (a) two hundred thousand dollars for a gubernatorial candidate;
 - (b) one thousand five hundred dollars for a candidate for the State Senate; or
 - (c) five hundred dollars for a candidate for the State House of Representatives.
 - (2) Notwithstanding any other provision of this chapter, a candidate may carry forward to a new candidacy of that candidate campaign equipment or property, subject to the reporting requirements of Title 21-A, chapter 13 [Campaign Reports and Finances].
 - (3) The Commission periodically will review these limitations and, through rulemaking, revise these amounts to ensure effective implementation of the Act.
- C. **Required seed money for gubernatorial candidates.** In addition to the other requirements for certification, a candidate for Governor seeking to qualify for Maine Clean Election Act funding shall collect at least \$40,000 in seed money contributions from registered voters in Maine. Only cash seed money contributions count toward the \$40,000 requirement. The candidate shall obtain documentation of the contributions as required by the Act [§1125(2-B)].
- D. **Campaign surplus.** A candidate who has carried forward campaign surplus according to Title 21-A, chapter 13, subchapter II [§1017(8) and §1017(9)], and who intends to become a participating candidate, must dispose of campaign surplus in accordance with the requirements of Title 21-A, chapter 13, subchapter II [§1017(8)]; provided, however, that a candidate may carry forward only those portions of campaign surplus that comply with the provisions of this Act regarding seed money contributions [§§ 1122(9) and 1125(2)]. Any campaign surplus (excluding campaign equipment or property) carried forward under this provision will be counted toward that candidate's total seed money limit.

INFORMATIONAL NOTE: The Commission will provide educational materials to all former candidates who have a campaign surplus describing the requirement that individuals must dispose of campaign surplus to remain eligible for participation as a Maine Clean Election Act candidate.

- E. **Return of Contributions Not in Compliance with Seed Money Restrictions.** A participating candidate who receives a contribution exceeding the seed money per donor restriction or the total amount restriction must immediately return the contribution and may not cash, deposit, or otherwise use the contribution.
- F. **Case-by-Case Exception.** A participating candidate who has accepted contributions or made expenditures that do not comply with seed money restrictions may petition the Commission to remain eligible for certification as a Maine Clean Election Act candidate. The Commission may approve the petition and restore a candidate's eligibility for certification if the candidate successfully establishes all of the following criteria:
 - (1) the failure to comply was the result of an unintentional error;
 - (2) the candidate immediately returned all contributions that did not comply with seed money restrictions or paid for goods or services contributed that did not comply with seed money restrictions;
 - (3) the candidate petitioned the Commission promptly upon becoming aware of the unintentional error; and
 - (4) the failure to comply did not involve expenditures by the participating candidate significantly in excess of seed money total amount restrictions or otherwise constitute systematic or significant infractions of seed money restrictions.
- G. After becoming a candidate and prior to certification, accepting a loan from any source including a financial institution and spending money received in the form of a loan, are violations of the seed money restrictions of the Act.
- H. **Other.** A seed money contributor may also make a qualifying contribution to the same participating candidate provided that the contributor otherwise meets the requirements for making a qualifying contribution.

4. **Qualifying Contributions**

- A. **General.** A participating candidate may collect qualifying contributions only during the relevant qualifying period. Qualifying contributions collected more than five days before filing a Declaration of Intent with the Commission will not be counted toward the eligibility requirement. Qualifying contributions must be acknowledged and reported on forms provided by the Commission.

The forms must include:

- (1) the name, residential address and signature of the contributor;
- (2) an affirmation by the contributor that the contribution was made with his or her personal funds, in support of the candidate and that the contributor did not receive anything of value in exchange for his or her signature and contribution;
- (3) a clear and conspicuous statement that the candidate is collecting signatures and qualifying contributions in order to obtain public funding to finance the candidate's campaign;
- (4) the signature of the municipal registrar or his or her designee verifying the voter registration of the contributors listed on the form; and
- (5) the signature of any person, other than the candidate, who circulated the forms and collected signatures and contributions, whether the services were provided for compensation or on a volunteer basis, affirming that he or she collected the qualifying contributions, that the contributor signed the form in the circulator's presence, that to the best of the circulator's knowledge and belief each signature is the signature of the person whose name it purports to be and that the contribution came from the personal funds of the contributor, that the circulator did not give anything of value to the contributor in exchange for the contribution and signature, and that the circulator did not represent the purpose of collecting the contributions and signatures to be for any purpose other than obtaining public funds to finance the candidate's campaign; the form must also include the residential and mailing addresses and telephone number of the circulator.

B. **Required Number of Qualifying Contributions.** A participating candidate must obtain the number of qualifying contributions during the qualifying period as required by the Act [§1122(7); §1122(8); §1125(3)].

C. **Exchanges for Qualifying Contributions Prohibited**

- (1) A participating candidate or an agent of that candidate may not give or offer to give a payment, gift, or anything of value in exchange for a qualifying contribution.
- (2) This provision does not prohibit a participating candidate or that candidate's agent from collecting qualifying contributions at events where food or beverages are served, or where campaign promotional materials are distributed, provided that the food, beverage, and campaign materials are offered to all persons attending the event regardless of whether or not particular persons make a qualifying contribution to the participating candidate.

- (3) This provision does not prohibit a candidate from using seed money to pay the fee for a money order provided the qualifying contributor pays the \$5 amount reflected on the money order as permitted by 21-A M.R.S.A. §1125(3).

D. **Checks Drawn on Business Accounts.** Qualifying contributions must be made with the personal funds of the contributor. The Commission will not count a check drawn from an account with a business name toward the eligibility requirements, unless the name of the contributor is included in the name of the account or the candidate submits a written statement from the contributor indicating that he or she uses the business account for personal expenses.

E. **Family Members.** Family members, domestic partners, and live-in caregivers who reside in a single household may make qualifying contributions in the form of a single check or money order of more than \$5 provided that:

- (1) all contributors sign the receipt and acknowledgement form;
- (2) all contributors are registered to vote at the address of the household; and
- (3) all contributions are made with the personal funds of the contributors.

F. **Verification of Registered Voters**

- (1) Before submitting qualifying contributions to the Commission, a participating candidate must establish that contributors who made qualifying contributions to that candidate are registered voters.
- (2) For qualifying contributions made by check or by money order, a participating candidate must obtain written verification from the Registrar of the number of persons providing qualifying contributions who are registered voters within the electoral division for the office the candidate is seeking.
- (3) For qualifying contributions made over the Internet, the Commission may establish an automated system by which the contributor can verify his or her voter registration based on data derived from the Central Voter Registration System. If the contributor is unable to verify the voter registration, the participating candidate must obtain written verification from the Registrar.
- (4) Upon request of a participating candidate, and within 10 business days after the date of the request, the Registrar must verify the names of contributors of qualifying contributions who are registered voters within the electoral division for the office the candidate is seeking.

- G. **Timing of Verification.** For purposes of this chapter, the Commission will deem verification of registered voters by the Registrar at any time during the qualifying period to be an accurate verification of voter registration even if the registration status of a particular voter may have changed at the time the Commission determines certification of the participating candidate. Proof of voter verification submitted after the qualifying period will not be accepted by the Commission and those qualifying contributions will not be counted toward the number required for certification.

SECTION 3. CERTIFICATION OF PARTICIPATING CANDIDATES

1. **Request for Certification.** A participating candidate may submit a completed request for certification to the Commission at any time during the qualifying period but not later than 5:00 p.m. on the last day of the relevant qualifying period. The request will be deemed complete and considered for certification only when the candidate has submitted to the Commission:
 - A. the qualifying contributions attached to the corresponding original receipt and acknowledgement forms that have been verified by the Registrar(s) of the electoral division for the office the candidate is seeking;
 - B. a list of all individuals making qualifying contributions and their town or city of residence, sorted alphabetically by the contributor's last name;
 - C. for gubernatorial candidates, the following documentation for required seed money contributions as required by the Act ([1125(2-B)]): the acknowledgement forms signed by the contributors of seed money, list of seed money contributions, photocopies of checks or money orders received from seed money contributors, and bank or merchant account statements which list contributions made by credit or debit card;
 - D. a seed money report of contributions, expenditures, and obligations made or incurred after becoming a candidate, including a report of any unspent seed money; and
 - E. a signed request for certification on a form provided by the Commission which contains an affirmation by the candidate that he or she has complied with all seed money and qualifying contribution requirements, has established a separate federally-insured bank account for campaign purposes and, if applicable, that any person who circulated receipt and acknowledgement forms and collected qualifying contributions acted with the candidate's knowledge and consent, and any other information relevant to the certification process.
 - F. A candidate may request an extension of time to comply with paragraphs B, D, and E. The Commission staff shall grant all reasonable requests or state in writing the reasons for denying the request. The Commission and the Commission staff may not grant an extension of time to comply with paragraph A or C.
2. **Order of Review.** The Commission will review candidate requests for certification in the order in which they are received, except that it will give priority to those candidates who are in a contested primary election.

3. **Unspent Seed Money.** In order to distribute funds expeditiously, the Commission will deduct from the initial distribution from the Fund to a certified candidate an amount equal to the amount of unspent seed money reported by that candidate.
4. **Certification.** The Commission will certify a candidate as a Maine Clean Election Act candidate upon the participating candidate's satisfaction of the requirements of the Act [§1125] and this chapter.
5. **Appeals.** Any appeals challenging a certification decision by the Commission must be in accordance with the Act [§1125(14)].

SECTION 4. FUND ADMINISTRATION

1. **Coordination with State Agencies.** The Commission will coordinate with the Office of the Controller and other relevant State agencies to ensure the use of timely and accurate information regarding the status of the Fund.
2. **Publication of Fund Revenue Estimates.** By September 1st preceding each election year, the Commission will publish an estimate of revenue in the Fund available for distribution to certified candidates during the upcoming year's election. The Commission will update the estimate of available revenue in the Fund after April 15th of an election year and again within 30 days after the primary election in an election year.
3. **Computation of Disbursement Amounts.** By July 1, 1999, and at least every 4 years after that date, the Commission will determine the amount of revenue to be distributed to certified candidates based on the type of election and office in accordance with the Act [§1125(8)].
4. **Authorizing Contributions due to Shortfall in the Fund.**
 - A. **Authorization by Commission to accept contributions.** If the Commission determines that the revenues in the Fund may be insufficient to make payments under section 1125 of the Act, the Commission may reduce payments of public campaign funds to certified candidates and permit them to accept and spend contributions in accordance with the Act [§1125(13)].
 - B. **Limitations on permitted contributions.** If permitted to accept contributions, a certified candidate may not accept a contribution in cash or in-kind from any contributor, including the candidate and the candidate's spouse or domestic partner, that exceeds \$750 per election for gubernatorial candidates and \$350 per election for State Senate and State House candidates. A candidate may not solicit or receive any funds in the form of a loan with a promise or expectation that the funds will be repaid to the contributor. If a contributor made a seed money contribution to a candidate, the amount of the seed money contribution shall count toward the contribution limit for the primary election. For a replacement candidate or candidate in a special election, a seed money contribution shall count toward the contribution limit for the election in which the candidate is running.

- C. **Apportioning reductions in public funds payments.** Upon determining the amount of the projected shortfall, the Commission shall then determine the amount and apportionment of the reductions in payments to certified candidates. The Commission shall reduce the initial payments to legislative candidates for the general election and the matching funds available for gubernatorial candidates in the general election, unless the Commission determines that there are policy reasons to apportion the reductions differently.
- D. **Campaign contributions to replace matching funds.** If the Commission reduces the amount of matching funds to be paid to certified candidates, it may permit candidates to raise contributions to replace matching funds in advance of the authorization to spend matching funds. Any amount of contributions raised that exceeds the amount of campaign funds the candidate has been authorized to spend must be deposited into a separate account with a bank or other financial institution. The candidate may spend the contributions as matching funds only if authorized by the Commission staff. The unauthorized expenditure of contributions raised to replace matching funds is a substantial violation of the Act and this rule.
- E. **Written notice to candidates.** The Commission shall notify participating and certified candidates in writing of any projected shortfall in the Fund and specify timelines and procedures for compliance with this subsection in the event of a shortfall.
- F. **Procedures for candidates.** The candidate shall deposit any authorized contributions into the campaign account into which Maine Clean Election Act funds have been deposited, except funds which must be deposited in a separate account under paragraph D. The candidate shall disclose all contributions received in regular campaign finance reports. The Commission's expenditure guidelines for Maine Clean Election Act funds apply to the spending of the contributions authorized under this subsection.
- G. **Disposing of surplus campaign funds.** After the election, the candidate must return any surplus campaign funds which the candidate was authorized to spend to the Commission upon the filing of the 42-day post-election report except for any money retained for purposes of an audit by the Commission pursuant to section 7, subsection 2(B). If the candidate has collected campaign contributions which the candidate was not authorized to spend, the candidate may dispose of those funds within 60 days after the election by returning them to the contributors, donating them to the Maine Clean Election Fund, or by making an unrestricted gift to the State. All expenditures of surplus campaign funds must be disclosed in campaign finance reports in accordance with 21-A M.R.S.A. § 1017.
- H. **Effect of fundraising on matching funds calculation.** If the Commission authorizes a certified candidate to accept campaign contributions pursuant to section 1125(13) of the Act and this subsection, the amount of the contributions that the candidate has been authorized to spend shall be treated as fund revenues received by the candidate for the purpose of calculating matching funds. Any reduction in the amount of public campaign funds paid to a certified candidate under sections 1125(8) or (10) of the Act will not affect the fundraising or spending threshold that triggers accelerated reporting by an opponent of the certified candidate under 21-A M.R.S.A. § 1017(3-B).

SECTION 5. DISTRIBUTION OF FUNDS TO CERTIFIED CANDIDATES

1. Fund Distribution

- A. **Establishment of Account.** Upon the certification of a participating candidate, the Commission will establish an account with the Office of the Controller, or such other State agency as appropriate, for that certified candidate. The account will contain sufficient information to enable the distribution of revenues from the Fund to certified candidates by the most expeditious means practicable that ensures accountability and safeguards the integrity of the Fund.
- B. **Manner of Distribution of Fund.** The Commission will authorize distribution of revenues from the Fund to certified candidates by the most expeditious means practicable that ensures accountability and safeguards the integrity of the Fund. Such means may include, but are not limited to:
 - (1) checks payable to the certified candidate or the certified candidate's political committee; or
 - (2) electronic fund transfers to the certified candidate's or the certified candidate's political committee's campaign finance account.

2. Timing of Fund Distributions

- A. **Distribution of Applicable Amounts.** The Commission will authorize the initial distribution of applicable amounts from the Fund to certified candidates in accordance with the time schedule specified in the Act [§1125(7)] and this Chapter.
- B. **Matching Fund Allocations.** At any time after certification, revenues from the Fund may be distributed to certified candidates in accordance with subsection 3, below.
- C. **Advances**
 - (1) To facilitate administration of the Matching Fund Provision of this chapter, and to encourage participation in the Act, the Commission may authorize the advance distribution of revenues from the Fund to certified candidates. In determining whether to authorize such advances and the amounts of any such advances, the Commission will consider the amount of revenue in the Fund, the number of certified candidates, the number of nonparticipating candidates, and information contained in campaign finance and independent expenditure reports.
 - (2) A certified candidate may only draw upon, spend or otherwise use, such advance Fund distributions after receiving written notification from the Commission authorizing a matching fund allocation in a specified amount. Written notification by the Commission may be by letter, facsimile or electronic means.

3. **Matching Fund Provision**

A. **General.** The Commission will authorize immediately an allocation of matching funds to certified candidates in accordance with the Act when the Commission determines that the eligibility for receipt of matching funds has been triggered [§1125(9)].

B. **Matching Fund Computation Involving Only Certified Candidates**

- (1) For each certified candidate, the Commission will:
 - (a) add to the initial distribution amount for that election:
 - (i) the sum of any matching funds previously provided for that election, and
 - (ii) the sum of independent expenditures made in support of each certified candidate; and
 - (b) subtract the sum of independent expenditures made in opposition to each certified candidate.
- (2) The Commission will compare the final computed amounts and will immediately authorize a matching fund allocation equal to the difference to the certified candidate with the lesser amount.
- (3) In computations involving only certified candidates, the Commission will not use seed money raised or unspent funds remaining after a primary election in computing the amount of matching funds.

C. **Matching Fund Computation Based on Nonparticipating Candidates' Receipts or Expenditures.** In races in which there is at least one certified and one nonparticipating candidate, and the matching fund computation is triggered by the financial activity of nonparticipating candidate, including any independent expenditures in support of the nonparticipating candidate:

- (1) The Commission will first determine the applicable amount for the nonparticipating candidate
 - (a) by adding:
 - (i) the sum of the nonparticipating candidate's expenditures, obligations and in-kind contributions, or the sum of the nonparticipating candidate's cash and in-kind contributions and loans, including surplus or unspent funds carried forward from a previous election to the current election, whichever is greater, and
 - (ii) the sum of independent expenditures made in support of the same nonparticipating candidate; and

- (b) by subtracting the sum of independent expenditures made in opposition to the same nonparticipating.
- (2) The Commission then will determine the applicable amount for the certified candidate
 - (a) by adding:
 - (i) the amount of the initial distribution for that election;
 - (ii) the sum of independent expenditures made in support of the certified candidate;
 - (iii) the sum of matching fund allocations already provided to the certified candidate; and
 - (iv) the amount of:
 - a) any seed money raised by an enrolled certified candidate in a primary or special election or by a replacement candidate in a general election; or
 - b) any unspent funds carried forward from the primary election to the subsequent general election by an enrolled certified candidate in a general election; or
 - c) any seed money raised and, if applicable, any other distribution received prior to the general election distribution by an unenrolled certified candidate in a general or special election; and
 - (b) by subtracting the sum of independent expenditures made in opposition to the same certified candidate.
- (3) The Commission will compare the final computed amounts and, if the amount for the certified candidate is less than the amount for the nonparticipating candidate, will immediately authorize a matching fund allocation equal to the difference to the certified candidate.

D. Matching Fund Computation Not Involving a Nonparticipating Candidate.
 In races in which there are two or more certified candidates and at least one nonparticipating candidate,

- (1) if the matching fund computation is triggered by an independent expenditure in support of or opposition to a certified candidate, and
- (2) the campaign totals, including independent expenditures, of any nonparticipating candidate in the race are equal to or less than the campaigns totals, including independent expenditures, of at least one certified candidate in the race; then

(3) the matching fund computation must be completed according to the procedure in paragraph B of this subsection.

- E. The Commission will make computations promptly upon the filing of campaign finance reports and independent expenditure reports.
- F. To prevent the abuse of the Matching Fund Provision, the Commission will not base any calculation on independent expenditures that, although containing words of express advocacy, also contain other words or phrases that have no other reasonable meaning than to contradict the express advocacy. For example, expenses related to a communication saying, "Vote for John Doe -- he's incompetent and inexperienced," will not be considered a communication in support of John Doe in the calculation of matching funds.
- G. **Matching Fund Cap.** Matching funds are limited as provided in the Act [§1125(9)]. Certified candidates are not entitled to cumulative matching funds for multiple opponents.
- H. **Other.** Any distribution based on reports and accurate calculations at the time of distribution is final, notwithstanding information contained in subsequent reports.
- I. **Coordination with Other State Agencies.** The Commission will coordinate with the Office of the Controller and other relevant State agencies to implement a mechanism for the distribution of Fund revenues to certified candidates that is expeditious, ensures public accountability, and safeguards the integrity of the Fund.
- J. **Disbursements with No Campaign Value.** If a privately financed candidate has received monetary contributions which are disbursed in ways that do not in any way influence the nomination or election of the candidate, those receipts will not be considered by the Commission in calculating matching funds for his or her opponent. Such disbursements may include repaying a loan received by the candidate, refunding a contribution to a contributor, or transferring funds to a party or political committee for purposes that do not relate to the candidate's race.

4. **Advance Purchases of Goods and Services for the General Election**

- A. If, prior to the primary election, a candidate purchases or receives in-kind contributions of consulting services, or the design, printing, or distribution of campaign literature and advertising, including radio and television advertising, but uses or will use a preponderance of those services exclusively for the general election, then the portion used or to be used for the general election must be counted as a general election receipt or expenditure in calculating the amount of matching funds for any certified candidate in the same race.
- B. If a certified candidate in a general election believes that an opponent, or person or committee making an independent expenditure, has failed to disclose an advance purchase for the general election, the certified candidate shall submit a written request for an investigation to the Commission no later than August 30 of the election year, or within 30 days of the opponent's filing of the 42-day post-primary report, whichever is later. The request must identify the pre-primary election expenditure that is believed to be for the general election and must state

a specific basis for believing that the goods and services purchased were not used for the primary election.

- C. The Commission will request a response from the opposing candidate or other respondent, and will make a determination whether the expenditure should be counted toward the certified candidate's eligibility for matching funds.

SECTION 6. LIMITATIONS ON CAMPAIGN EXPENSES

A certified candidate must:

1. limit the candidate's campaign expenditures and obligations to the applicable Clean Election Act Fund distribution amounts plus any authorized matching fund allocations;
2. not accept any contributions unless specifically authorized in writing to do so by the Commission in accordance with the Act [§1125(2) and §1125(13)];
3. use revenues distributed from the Fund only for campaign-related purposes as outlined in guidelines published by the Commission, and not for personal or any other use;
4. not use revenues distributed from the Fund to purchase goods to sell for profit;
5. not spend more than the following amounts of Fund revenues on post-election parties, thank you notes, or advertising to thank supporters or voters:
 - A. \$250 for a candidate for the State House of Representatives;
 - B. \$750 for a candidate for the State Senate; and
 - C. \$2,500 by a gubernatorial candidate.

The candidate may also use his or her personal funds for these purposes; and

6. not use revenues distributed from the Fund for the payment of fines, forfeitures, or civil penalties, or for the defense of any enforcement action of the Commission.

SECTION 7. RECORD KEEPING AND REPORTING

1. **Record Keeping by Participating and Certified Candidates.** Participating and certified candidates and their treasurers must comply with applicable record keeping requirements set forth in Title 21-A, chapter 13, subchapter II [§1016], and chapter 14 [§1125(12-A)]. Failure to keep or produce the records required under Title 21-A and these rules is a violation of the Act for which the Commission may impose a penalty. The Commission may also require the return of funds for expenditures lacking supporting documentation if a candidate or treasurer is found in violation of the record keeping requirements. The candidate or the treasurer shall have an opportunity to be heard prior to any Commission decision imposing a penalty or requiring the return of funds under this section. In addition to these specific actions, the Commission may also take any other action authorized under Title 21-A.

- A. **Fiduciary Responsibility for Funds.** All funds provided to a certified candidate or to a candidate's authorized political committee must be segregated from, and may not be commingled with, any other funds, other than unspent seed money. Matching fund advance revenues for which no spending authorization has been issued must be deposited in a federally insured account and may not be used until the candidate receives authorization to spend those funds.
- B. **Meal Expenses.** A candidate or treasurer must obtain and keep a record for each meal expenditure of more than \$50. The record must include itemized bills for the meals, the names of all participants in the meals, the relationship of each participant to the campaign, and the specific, campaign-related purpose of each meal.
- C. **Vehicle Travel Expenses.** A candidate or treasurer must obtain and keep a record of vehicle travel expenses for which reimbursements are made from campaign funds. Reimbursement must be based on the standard mileage rate prescribed for employees of the State of Maine for the year in which the election occurs. For each trip for which reimbursement is made, a record must be maintained showing the dates of travel, the number of miles traveled, the origination, destination and purpose of the travel, and the total amount claimed for reimbursement. A candidate may be reimbursed for vehicle travel expenses at a rate less than the standard mileage rate. A candidate may also reimburse a volunteer for vehicle travel expenses at a rate less than the standard mileage rate as long as the difference does not exceed \$100 per volunteer per election. The Commission may disallow any vehicle travel reimbursements for which the candidate or the treasurer cannot produce an accurate record.

2. **Reporting by Participating and Certified Candidates**

- A. **General.** Participating and certified candidates must comply with applicable reporting requirements set forth in Title 21-A, chapter 13, subchapter II [§1017].
- B. **Return of Matching Fund Advances and Unspent Fund Revenues.** Matching fund advance revenues that have not been authorized for spending and unspent Fund revenues shall be returned to the Fund as follows:
 - (1) **Unauthorized Matching Funds.** Candidates must return all matching fund advance revenues for which no spending authorization was issued prior to an election to the Commission by check or money order payable to the Fund within 2 weeks following the date of the election.
 - (2) **Unspent Fund Revenues for Unsuccessful Primary Election Candidates.** Upon the filing of the 42-day post-primary election report for a primary election in which a certified candidate was defeated, that candidate must return all unspent Fund revenues to the Commission by check or money order payable to the Fund, except that a gubernatorial candidate may be allowed to reserve up to \$2,000 in order to defray expenses associated with an audit by the Commission.

- (2-A) **Unspent Matching Funds for Successful Primary Election Candidates.** Upon the filing of the 42-day post-primary election report for a primary election in which a certified candidate was successful, that candidate must return any unspent matching funds received for the primary election. Matching funds received for the primary election may not be used for campaign expenditures for the general election.
 - (3) **Unspent Fund Revenues for All General and Special Election Candidates.** Upon the filing of the 42-day post-election report for a general or special election, all candidates must return all unspent Fund revenues to the Commission by check or money order payable to the Fund, except that a gubernatorial candidate may be allowed to reserve up to \$3,500 in order to defray expenses associated with an audit by the Commission.
- C. **Liquidation of Property and Equipment.** Property and equipment that is not exclusive to use in a campaign (e.g., computers and associated equipment, etc.) that has been purchased with Maine Clean Election Act funds loses its campaign-related purpose following the election. Such property and equipment purchased for \$50 or more must be liquidated at its fair market value and the proceeds thereof reimbursed to the Maine Clean Election Fund as unspent fund revenues in accordance with the schedule in paragraph B above. Candidates may not return unsold property or equipment to the Commission.
- (1) The liquidation of campaign property and equipment may be done by sale to another person or purchase by the candidate.
 - (2) Liquidation must be at the fair market value of the property or equipment at the time of disposition. Fair market value is determined by what is fair, economic, just, equitable, and reasonable under normal market conditions based upon the value of items of similar description, age, and condition as determined by acceptable evidence of value. A campaign's sale of property or equipment through an on-line commercial auction shall be considered by the Commission as a factor in favor of determining that the campaign has recovered the fair market value of the property or equipment.
 - (3) If the campaign sells the property or equipment to the candidate or a member of the candidate's immediate family or campaign staff, the campaign must receive at least 40% of the original purchase price.

SECTION 8. RECOUNTS, VACANCIES, WRITE-IN CANDIDATES, SPECIAL ELECTIONS

- 1. **Recounts.** After a primary election, if there is a recount governed by Title 21- A, chapter 9, subchapter III, article III [§737-A], and either the leading candidate or the 2nd-place candidate is a certified candidate, the following provisions will apply:
 - A. If the margin between the leading candidate and the 2nd-place candidate is less than 1% of the total number of votes cast in that race and a recount is presumed necessary, the certified candidate immediately must halt the expenditure of

revenues disbursed to the candidate from the Fund upon receiving notice of the recount until the recount is complete.

- B. If the recount results in a changed winner, the certified candidate who originally received the disbursement must return any unspent distributions from the Fund to the Commission, payable to the Fund. If the new winner is a certified candidate, the Commission will distribute the applicable disbursement amount to the candidate.
- C. If the margin between the leading candidate and 2nd-place candidate is 1% or greater of the total number of votes cast in that race and the 2nd-place candidate requests a recount, the leading candidate, if a certified candidate, is not required to freeze expenditures of the disbursement.
- D. If the recount results in a changed winner, the certified candidate must return any unspent distributions from the Fund to the Commission, payable to the Fund. If the new winner is a certified candidate, the Commission will distribute the applicable disbursement amount to the candidate.

2. **Death, Withdrawal, or Disqualification of a Candidate During Campaign**
